Dedication

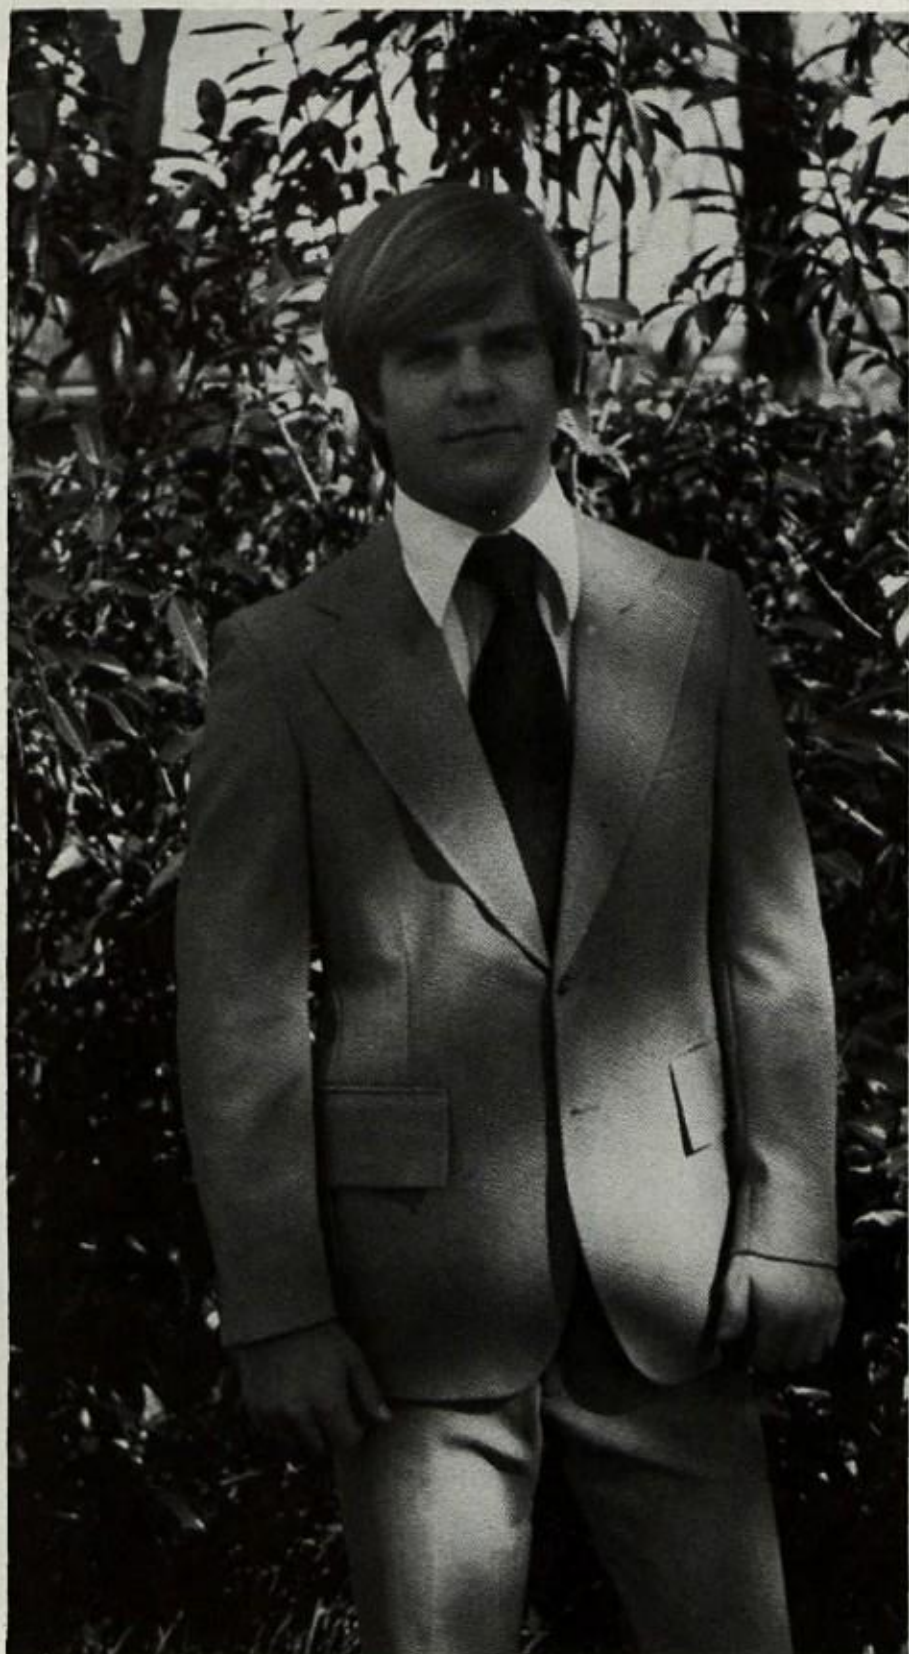

In grateful appreciation of devoted service to the students of LaGrange Senior High School and to the highest principles of the teaching profession, the 1976 RESUME is dedicated to Mr. Harold Pearson - teacher of "Special Chemistry," sponsor of the Interact Club, and the best faculty friend many LaGrange students have ever had.

Mr. and Miss LaGrange

Kim Coldiron

Cathi Fontenot and Kim Coldiron were elected by the LaGrange faculty as their favorites among the seniors of the Class of 1976. As Mr. and Miss LaGrange, Cathi and Kim presided over the festivities at the annual Junior-Senior Prom held in April.

These two students were chosen from a list of the top students in this year's senior class of over 300 students. They were elected for their qualities of integrity, loyalty, personality, leadership, service, and scholarship.

Among other honors and activities, Kim served as president of the Key Club, played on the football

team for four years, was named on the 1975 all-district football team, and was elected Mr. Freshman, Sophomore, Junior, and Senior by members of these classes.

Cathi was elected president of the Executive Student Council (equivalent to president of the student body) during her senior year. She was an honor roll student and a member of the National Honor Society, chaplain of Spirit of '76, and elected Miss Success of the senior class, among other activities and honors.

Nine Attend Pelican State

This past summer nine LaGrange students attended Pelican State in Baton Rouge. Pelican State is not a classroom oriented program, but instead, it centers around the government and its functions. Throughout the week everyone was drilled in and experienced the basics of government at all three levels: city, parish, and state. Hundreds of students throughout the state attended this program, which also resulted in new friendships and acquaintances.

Presidential Classroom is sponsored each year to give young Americans the opportunity to encounter and explore the many facets of our American government. Through personal involvement and interaction with various institutions and leaders of the nation, the student comes in contact with the issues, concerns and challenges involved in the political process.

This year Mark Leblanc and Cathi Fontenot were the two outstanding students who were chosen to represent LaGrange in Washington, D.C.

Homecoming is Triumphant

On October 24, LaGrange once again celebrated Homecoming Day. The theme for 1975 was "Three Ring Circus." Spirit abounded throughout the entire day as the mighty Gators prepared for their triumphant climax. The victory over Alexandria High School could be seen in the faces of all the students as they attended the dance homecoming night. Music was provided by "Isosceles Popsicles."

Gator football players proudly escorted the queen and her maids of honor.

The enthusiasm of the Gator student body made this homecoming a day that will long be remembered.

Key Club Christmas Formal

One of the best parts of the Christmas Season around LaGrange was the formal put on by the Key Club. The theme for the affair this year was "Candyland." This year WOODEN LEG out of Houston was picked to provide the music. Another bridge was crossed as this was the first time that any event from LaGrange took place in the enormous Buccaneer Room, which was decorated under the direction of outstanding artist, Tim Bourgeois. The surprise visit by Santa Claus seemed to top the night off.

Year Was Great for Gatoresses

This year was one of the best for the Gatoresses. Under the guidance of their sponsor, Miss Rosie Lee LaBove, the Gatoresses attended the Gator football games, basketball games, and several parades. They also volunteered their services to collect for the Disabled American Veterans and the American Legion. Their money-making projects included selling candy and raffle tickets and the big Mardi Gras dance. In reward for their efforts, the senior Gatoresses went on an end-of-the-year trip. This was a year of many fond memories for the LaGrange Gatoresses.

The 1975-76 Gator Band

The Gator Band did its part in promoting LaGrange spirit by performing at halftime or pregame shows at every football game. The stage band also supported the basketball team by playing music between quarters. The Gator Band attended the Gulfport Marching Festival where it received a superior rating. It also attended the Festival at USL, the McNeese Festival, the Buc Festival, and gave a mid-winter concert at LaGrange. On the spring trip to Oklahoma, it participated in the National Festival.

Octagon Club Plans Monument

A rebuilt Octagon Club began a very successful year long before the school doors opened last August. Delegates representing the LaGrange chapter attended the state convention where a LaGrange member, Ricky Dupuis, was elected State President.

Key projects this year were boosting the spirit by selling football bumper stickers and signs. For the largest project, members voted to erect a monument on the front lawn with a cost of nearly \$1,000. This was done under the leadership of Mrs. Bruno and Mrs. Hoffman. Service projects included gifts to a nursing home and attending the American Model Association Convention in August.

Key Club Has Very Full Year in '76

The Key Club is a special organization for boys at LaGrange. Before school began in September the Key Club mowed lawns, threw a back-to-school dance, and painted the teachers' names in the parking lot. As football season began, it kicked off spirit with presenting skits and having their annual "cheer-leader" initiation. Topping off initiation was the Moon Contest. But besides all this was the 1975 Key

Club Christmas Formal held in the Civic Center at which the sweethearts were chosen. Then, Key Club played an important part in the first annual District Convention held in Lake Charles at the Civic Center, and finally, to wrap up the successful year, a banquet was held and Mr. Allen was especially honored.

Future Teachers Explore Teaching Profession

The purpose of FTA is to learn about the teaching profession, its opportunities, responsibilities, and problems, as well as how and where to receive preparation for teaching. FTA offers opportunities to explore the various fields of teaching and the personality and scholarship requirements for each field.

The greatest hit for FTA this year was a talent show given by the future teachers with the partnership of the Spanish Honor Society. Mrs. Marcelle Hornsby is the sponsor of this year's FTA.

FBLA provides an opportunity for students to participate in activities designed to produce prospective business leaders. Their activities culminate when students compete in contests held at the annual FBLA conventions.

FHA Connects School and Home

FHA, Future Homemakers of America, is a service organization which stems from home economics. The members work with the home, the school and the community. They have fund-raising projects such as bake sales and a white elephant sale. They had a mother-daughter banquet in the spring, which features a style show with clothes that the members made themselves. They also visited nursing homes, performing small chores for the residents, and, as a school project, they painted and redecorated the Home Economics Department.

Chorus Entertains in Many Concerts

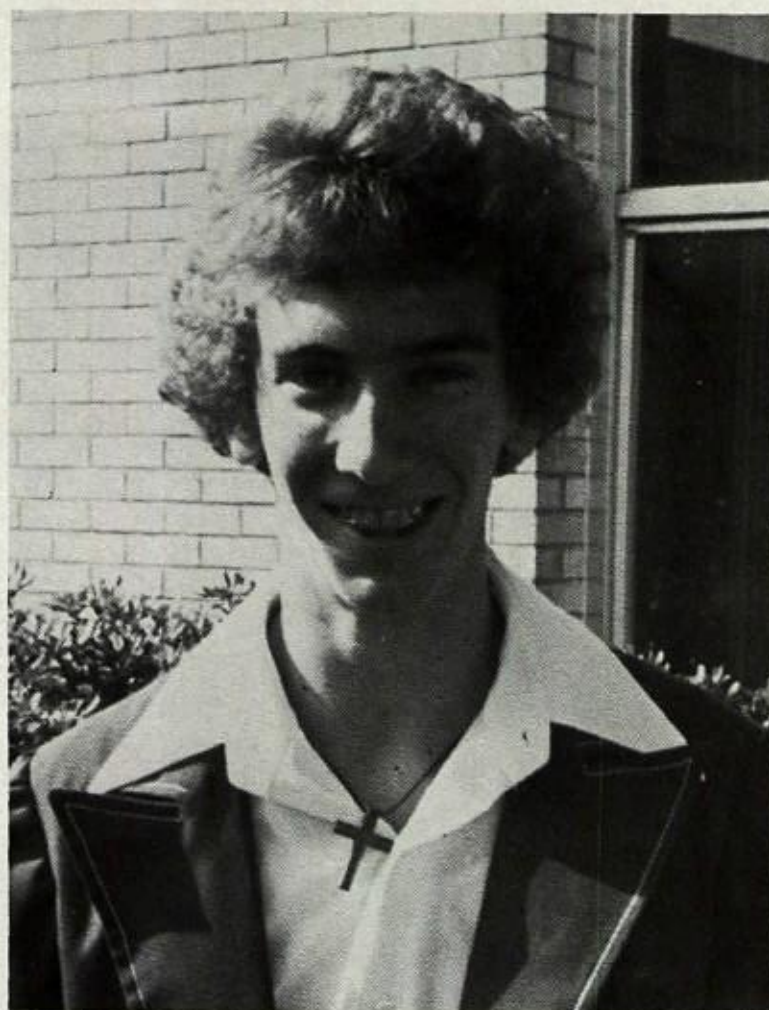

This year the chorus got the student body and faculty in the Christmas spirit by singing a wide range of Christmas songs at an assembly.

They had a spring concert and entertained us with a pop concert here at school.

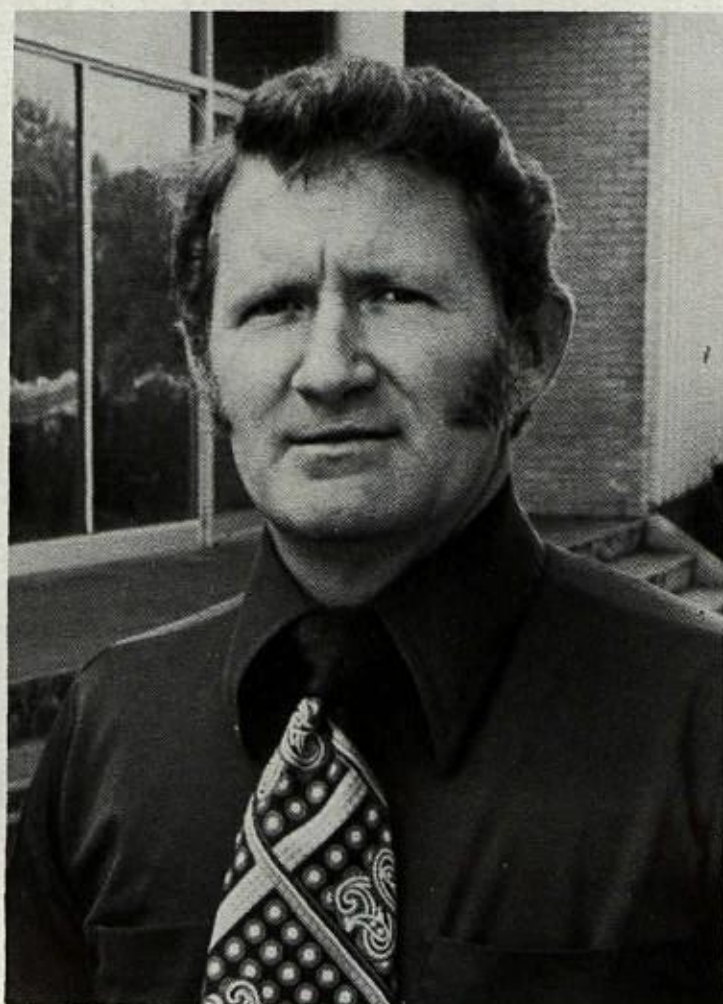

The chorus participated in a civic organization and sang at schools (mainly junior high) around the area.

They also attended a Solo and Ensemble Festival at McNeese.

The chorus planned a spring trip - a trip to Atlanta, Georgia. On the way to Atlanta they were to sing at schools in Mississippi and Alabama.

Gators Come Alive in '75

The Year of the Gators

1975 was a great year for Gator football. After being predicted to finish second to last in district, the Gators set out to prove that they were real contenders for district championship. And that they did! By the end of the season, the Gators had earned an 8-1-1 record, a tie with Sulphur for district championship, and the right to play Neville in the state playoffs.

Gator spirit and determination was evident throughout the entire season. The offense had field days against Barbe and Westlake. When they were down 6-0 by Acadiana with only seconds remaining, the offense came alive with one of the most spectacular touchdown passes of the year. You ask about defense? Ask Crowley, ask Woodlawn, ask Lake Charles High because this year the Gator defense earned the right to be called "the iron-curtain defense."

How did they do it? Some say it was luck, others say it was teamwork. Maybe they are all right. One thing is for sure; 1975 will always be remembered as "the year the Gators came alive!"

Gators battle through 1976 season

The 75-76 season ended with the Gators going 14-19 for the season. It was a tough season, but the Gators never gave up. They looked toward every game with victory in mind, and they fought through every quarter with determination and drive. There were victories and there were defeats, but there was always that Gator spirit to make it all worthwhile.

The first half of district competition passed with the Gators collecting only one win in six games, but

the Gators weren't through yet. In the second half the Gators squeezed past Sulphur, rolled over Alexandria, and stunned Barbe 63-62 in one of the season's most exciting games. But all hopes for a playoff berth were crushed by the 79-64 loss to LCHS in the final game of the season.

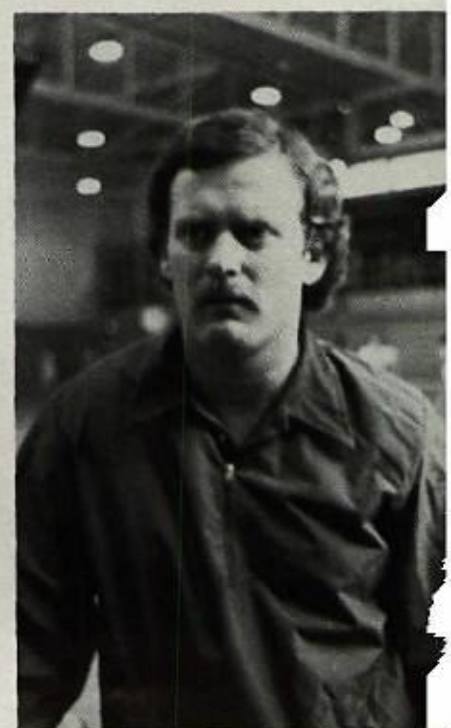

For the Gators the 75-76 season was a season for building which proved that other teams should never take the LaGrange Gators for granted.

Lady Gator Basketball Team Has Successful First Year

The 1975-76 basketball season marked the first year for LaGrange to field a girls' basketball team, and considering this, the season was certainly a success.

Although the season was not over when the RESUME went to press, the team will probably end up with a 16-2 record and second place in the district. This will put them in the state playoffs the very first year.

Some of the highlights of the season included a double over-time 58-56 loss to New Iberia, which was last year's state runner-up in 4-A girls' basketball, and beating Sulphur, Lake Charles, and Barbe (also first year teams) in district play.

This year's team does not have a super star, but hustle and spirit have been factors in their success.

With the return of all but two members next year, the outlook for another successful season appears likely.

Ladies in action.

Girls' Track Team Rebuilding After Taking State Last Year

The girls' track team was in a rebuilding year in 1976 after losing four members from last year's state championship team. Returning members from last year's team are Peggy Kuehn, Brenda Toussaint, Mary Hanchey, Julie Trahan, and Tina Tomassi. The relays should be the strongest event for the Gator girls this year with three members returning from last year's team which went undefeated in the 440 Relay until the state meet where they placed second.

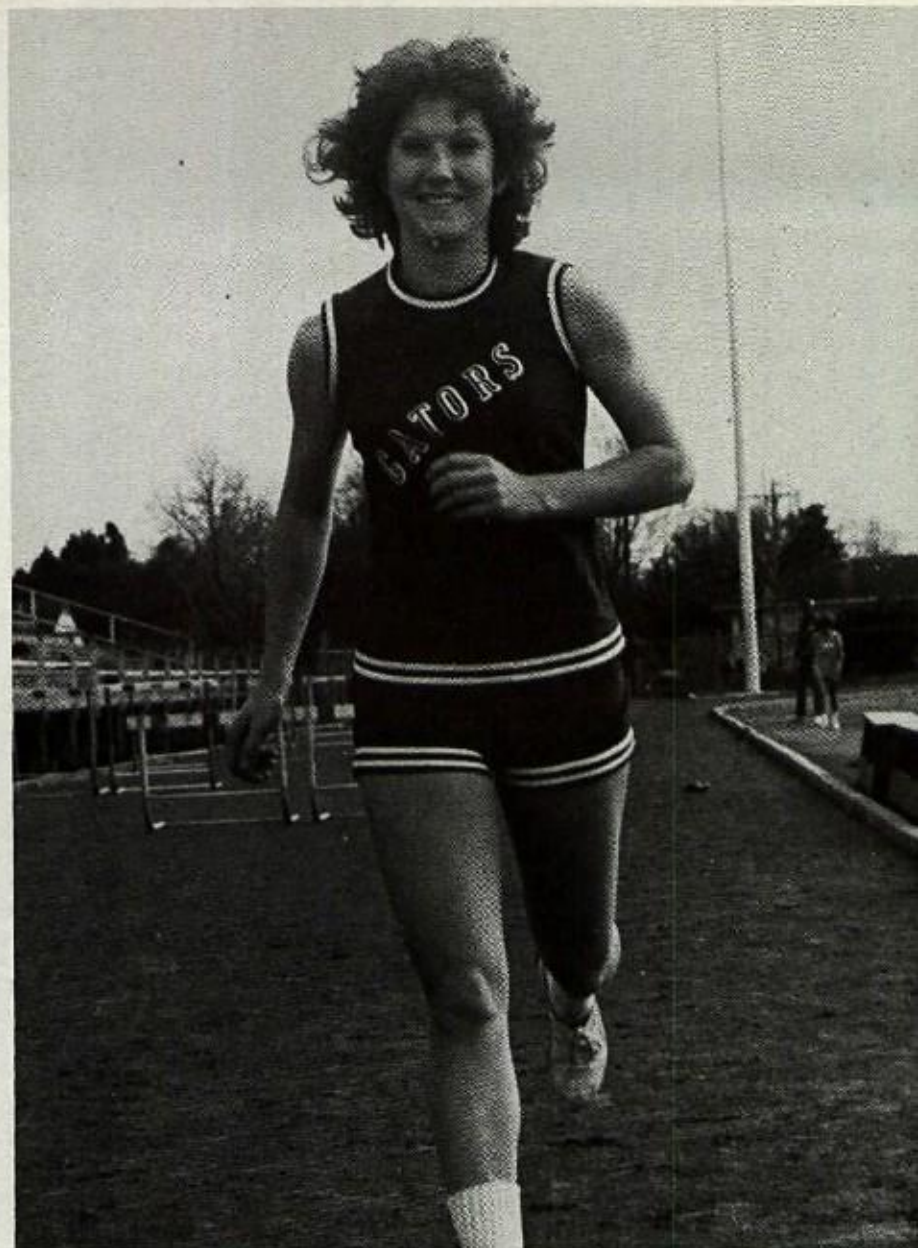

A good turnout of young prospects gives hope that a rebuilding year will turn into a winning year for the girls' team.

Principal's Message:

The arrival of this issue of the RESUME marks the completion of another school year at LaGrange Senior High School. Soon the Senior Class of '76 will leave LaGrange to continue their education or become productive members of our community. As this class is leaving, another freshman class is preparing to begin its four-year stay at our school.

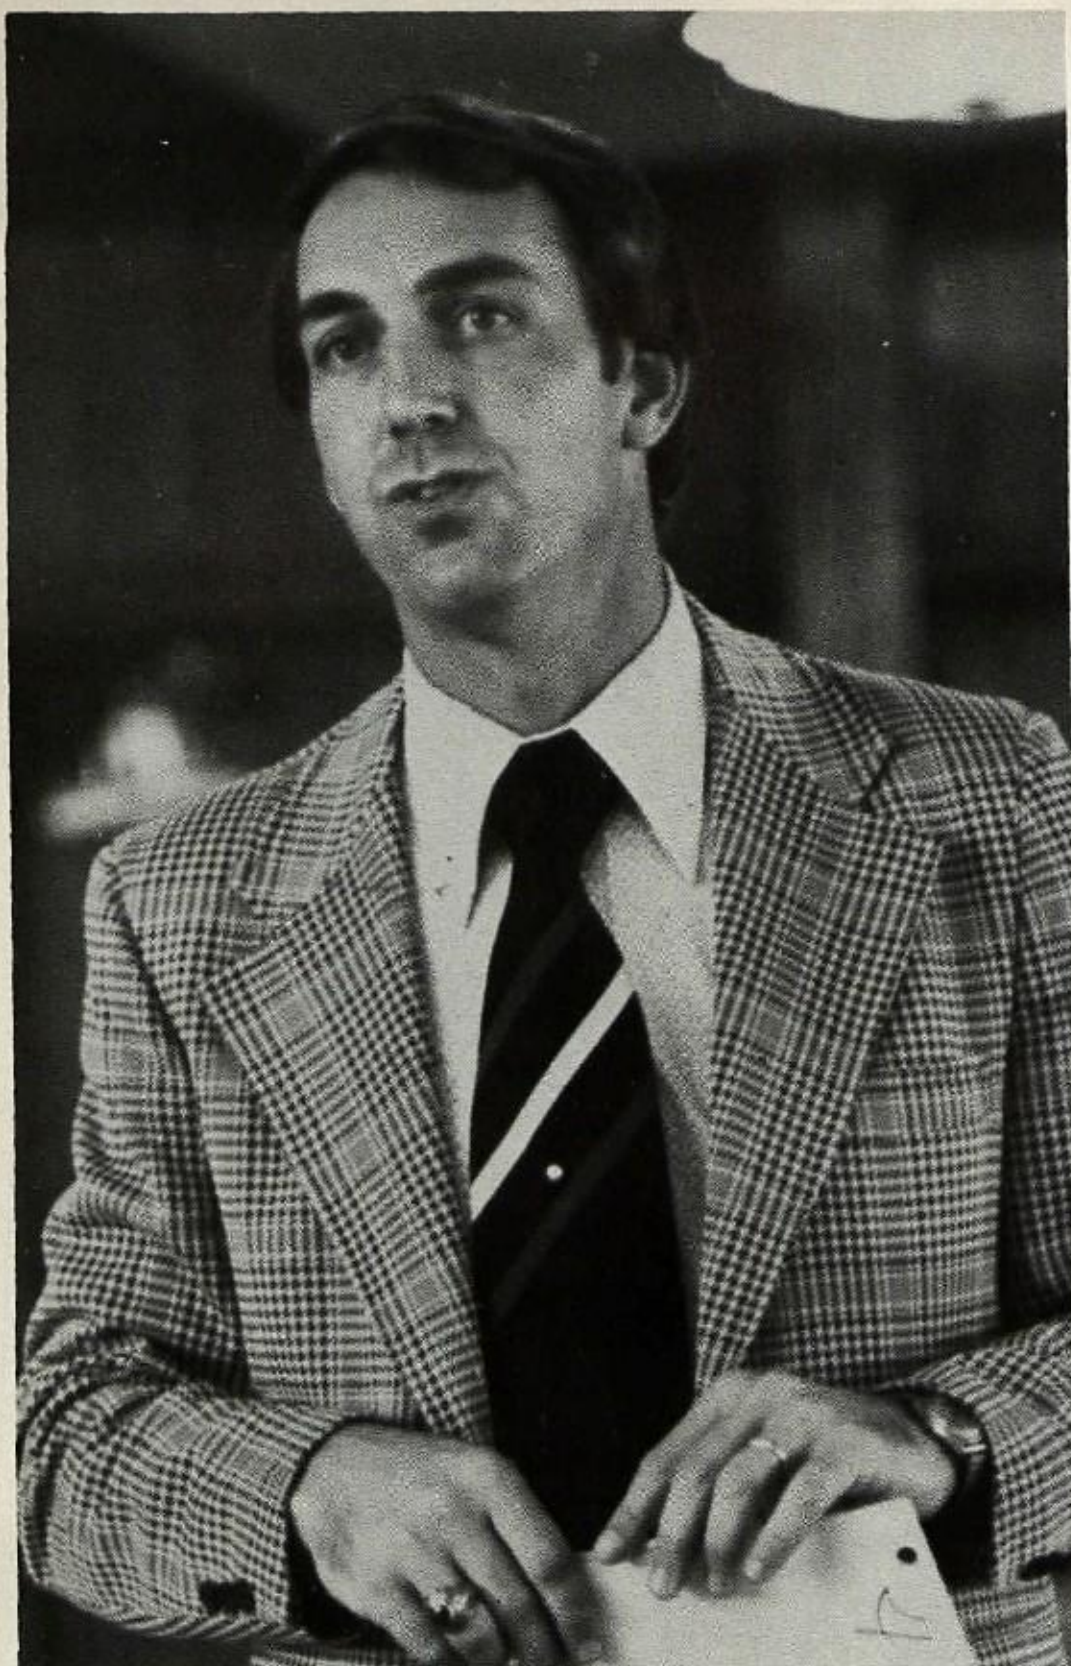

Even though education can be viewed as a continuous, rather monotonous process, it is seldom looked upon as monotonous by the people who are actively engaged in it. People who are active in the educational process know that there are interesting and exciting events, names, and faces associated with each school year.

Some of the events of the past year that come to mind are tying for the district football championship, the band's rating "superior" at Gulfport, a good season for the new girls' basketball team, the girls' track team's winning the state championship last spring, and superior ratings by the chorus and other groups. Competing on an individual basis, LaGrange students certainly won their share of scholarships, events in the literary rally, and places on the honor roll.

With these thoughts in mind, I wish to express my sincerest appreciation to the students, faculty, and staff for the way each person has helped to make 1975-76 one of the best years that any of us have spent at LaGrange. I also wish to express my appreciation to the yearbook staff for recording the people and events of this year in the RESUME.

Sincerely,

Pete T. Crawford
